## **AGREEMENT**

Between

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA (SBBC)**

And

**BROWARD COLLEGE (BC)**

This agreement is entered into between BROWARD COLLEGE and THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA for the purpose of establishing a formal articulation between these two organizations with regard to students pursuing **degree** in the **Building Construction Associate in Science Degree Program** at Broward College. Students completing the 900 clock hour **Building Trades and Construction Design Technology Program** shall be awarded credit for the courses listed in this Agreement.

Having undertaken and completed a comprehensive review and evaluation of each curriculum, instructional method, level of instruction, and available equipment and facilities, the BROWARD COLLEGE has concluded that the technical skills or competencies mastered by students completing the **Building Trades and Construction Design Technology** program with a grade of "C" or better in each course are equivalent to those acquired by BROWARD COLLEGE students completing selected courses in the **Building Construction Associate in Science Degree Program**.

Therefore, as a result of this assessment, subject to the conditions set forth below, students who successfully complete their program with the required level of proficiency and who are accepted for admission shall be entitled to:

| Technical College Program                                                                                                                                                                                    | BC Course(s)                                        | Credits   | Assessment                                                                                  |
