

**Florida Department of Education**

**Postsecondary Adult Vocational (PSAV) to AAS/AS Degree Articulation**

**Statewide Agreement Worksheet Summary**

PSAV Program Name: Fire Sprinkler  
System Technology  
PSAV CIP Number: 0646.050202  
PSAV Program Number: I460512

AAS/AS Degree Name: Building  
Construction Technology  
AAS/AS CIP Number:  
0615.100101/1615.100101

Admission Requirements: Students entering the Associate in Applied Science and or the Associate in Science Program in **Building Construction Technology** must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion. Students must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

Other admission requirements: None

Validation Mechanisms: Licensure examination, industry certification, portfolio, local assessment, or evaluation which may include review of certification completion. Credits may be awarded on the condition of completion of courses at the granting institution.

School district technical center and community college faculty committee met and agreed to propose that the **1050** clock hour program in **Fire Sprinkler System Technology** shall articulate **three (3)** college credit hours to the AAS/AS Degree in **Building Construction Technology**. This agreement does not preclude but encourages the awarding of additional credits by any college through local agreements.

Community College: AAS/AS in Building Construction Technology.
