Florida Department of Education

Postsecondary Adult Vocational (PSAV) to AAS/AS Degree Articulation

Statewide Agreement Worksheet Summary

PSAV Program Name: Network Systems Administration
PSAV CIP Number: 0507.030405
PSAV Program Number: B079300

AAS/AS Degree Name: Networking Services Technology
AAS/AS CIP Number:
0507.030401/1507.030401

Admission Requirements: Students entering the Associate in Applied Science and or the Associate in Science Program in **Networking Services Technology** must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion. Students must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

Other admission requirements: None

Validation Mechanisms: Present an original certificate of completion in Network Systems Administration. Provide evidence for each additional option included in the program as defined below for additional credits. Complete one networking services technology program specific course not included as part of the courses being awarded credit with a grade of 'C' or better at the community college awarding the credit. Student must enroll within three (3) years of completion of the PSAV program.

School district technical center and community college faculty committee met and agreed to propose that the **1050** clock hour program in **Network Systems Administration** shall articulate **nine (9)** college credit hours to the AAS/AS Degree in **Networking Services Technology.** This agreement does not preclude but encourages the awarding of additional credits by any college through local agreements.

Community College: AAS/AS in Networking Services Technology.

General Education ……………………………………….. __15__ credit hours

Program Core/Electives ………………………………….. __48__ credit hours

Total AAS/AS Degree Program …………………………..__63__ credit hours

Will award course credits or a block of credit toward AAS/AS program for 9 (nine) hours of credit and award additional credit for PSAV programs including each of the following tracks (coursework) if the community college includes this coursework in the articulated program:
        3 credits – Wireless coursework
        12 credits – Microsoft courses in MCSA courses in track
        3 credits – Linux+ track coursework
        3 credits – Security + coursework
